Re: **Landlord Registration Fee Schedule**

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF NORTH MIAMI, FLORIDA, APPROVING THE PROPOSED SCHEDULE OF FEES, PURSUANT TO CHAPTER 5 OF THE CODE OF ORDINANCES, ENTITLED "BUILDING STANDARDS AND REGULATIONS," SPECIFICALLY AT ARTICLE VII ENTITLED LANDLORD REGISTRATION; PROVIDING FOR AN EFFECTIVE DATE AND FOR ALL OTHER PURPOSES.

RECOMENDATION

It is recommended that the Mayor and City Council adopt the proposed fee schedule for the Landlord Registration Program.

BACKGROUND

On February 25th, 2014, the Mayor and City Council heard on first reading legislation to adopt a landlord registration program, which requires the annual registration and inspection of rental units in buildings with more than 2 dwelling units. The program authorizes the Minimum Housing Officers to inspect the interior of rental units and ensure compliance with the minimum housing standards established by the City.

In an effort to fully fund the implementation and operation of the program, a fee and penalty structure is proposed to cover the cost of automating the procedures, administering the program, conducting inspections, and adjudicating cases. The fee schedule is based on a sliding scale to incentivize the inspection process and promote compliance.

All property owners will be required to pay the annual application fee of \$100.00 for any structure with more than 2 (two) units and \$25.00 inspection fee per unit. Buildings with more than 10 units are subject to an inspection of 30% to 35% of the total units and will pay the \$25.00 inspection fee per unit in correlation to the number of units inspected. The Minimum Housing Officer will have the discretion to inspect 100% of the dwelling units if unsafe or uninhabitable conditions exist within the collective inspected living units.

The proposed fee structure is provided below and will generate approximately \$ 195,061.00 in general fund revenue. As mentioned above, the licensing fee will be used to manage the program, perform inspections, and carry out enforcement action as required. A penalty structure is also recommended to stimulate compliance.
